4 Program Leader

Mohammad Amawi, PMP®, PMOC

- **The Previous President of Project Management Institute- Jordan Chapter.** Mr. Amawi was the previous President of PMI's Jordan Chapter also he has participated with the chapter in implementing several initiatives that aim at raising the awareness about the value of project management as a discipline and a profession even before his presidency period.
- **A certified Project Management Professional (PMP®)** with proven track record in managing technical assistance projects for public and private sectors, organizations aiming at improving their competitiveness and performance. Responsibilities included monitoring and managing the project's scope, schedule, cost and quality of deliverables as well as the project team.
- **A trainer in Project Management across several sectors** in Jordan and other countries in the region such as Sudan and Saudi Arabia.
- **Extensive experience in instituting change within government institutions** with the aim of enhancing the competitiveness of the private sector. **Experience in the areas of institutional development and capacity building** both in the public and private sectors, public sector reform, licensing streamlining, industrial operations and management as well as development projects management.
- **Project Manager for several USAID, DfID & EU funded projects.**

5 Why Method

- Training conducted by a **professional certified trainer from PMI®**, Mr. Mohammad Amawi, PMP®, PMOC.
- Proven **leadership & track record** with an impressive history of conducting successful PM training for thousands of professionals and helping hundreds get certified as PMPs.
- **First** Registered Education Provider of PMI® in Jordan.
- Proven **track record in project management consulting** with great success for clients in Jordan including Jordan Telecom, Arab Bank, MOICT and others.
- **Focus.** Method is the only Middle East Company that is fully focused on Project Management.

6 Fees & Logistics

6.1 Dates & Times

Method CAPM® Program usually starts on a Sunday (on the dates mentioned below). The program will run over two consecutive weeks, Sunday to Thursday, 4:00 to 8:00 PM. Total program duration is 40 hours.

Upcoming Run: From Oct 30th to Nov 10th, 2011

6.2 Venue

The training will be held at the brand new state of the art training facilities of **GURUS**, the professional service training firm at Abu Al Haj complex, 8th Floor. GURUS venues have an advantage over five stars hotel facilities in many ways. The most important is the fact that they are custom designed specifically for training purposes and for the comfort of training participants. Furthermore their design and setup promotes modern adult training themes such as active learning, group discussions, exercises, and interaction among participants and the facilitator. Also, GURUS provides a private setting for participants to interact and also network during breaks in comfortable and professional lounges, away from the hustle and bustle of a hotel venue.

6.3 Fees

Cost per participant is JD 495 includes PMBOK® Guide 4th edition, training material and certificates by Method as a Registered Education Provider of the PMI®.

Method offers a special rate for students on this program so the fees will be reduced to JD 400 per student.

6.4 Registration

Other details, terms and conditions can be found in the **Registration Form**.
